The Panorama 51

Published by Students of
DOYLINE HIGH SCHOOL

DOYLINE, LOUISIANA

Realizing that the sweetest memories in life are those of school days we have earnestly strived to preserve these memories in this yearbook.

Our sincere "Thanks" is extended to the faculty and student body for their excellent support in presenting this 1951 PANORAMA.

The Staff

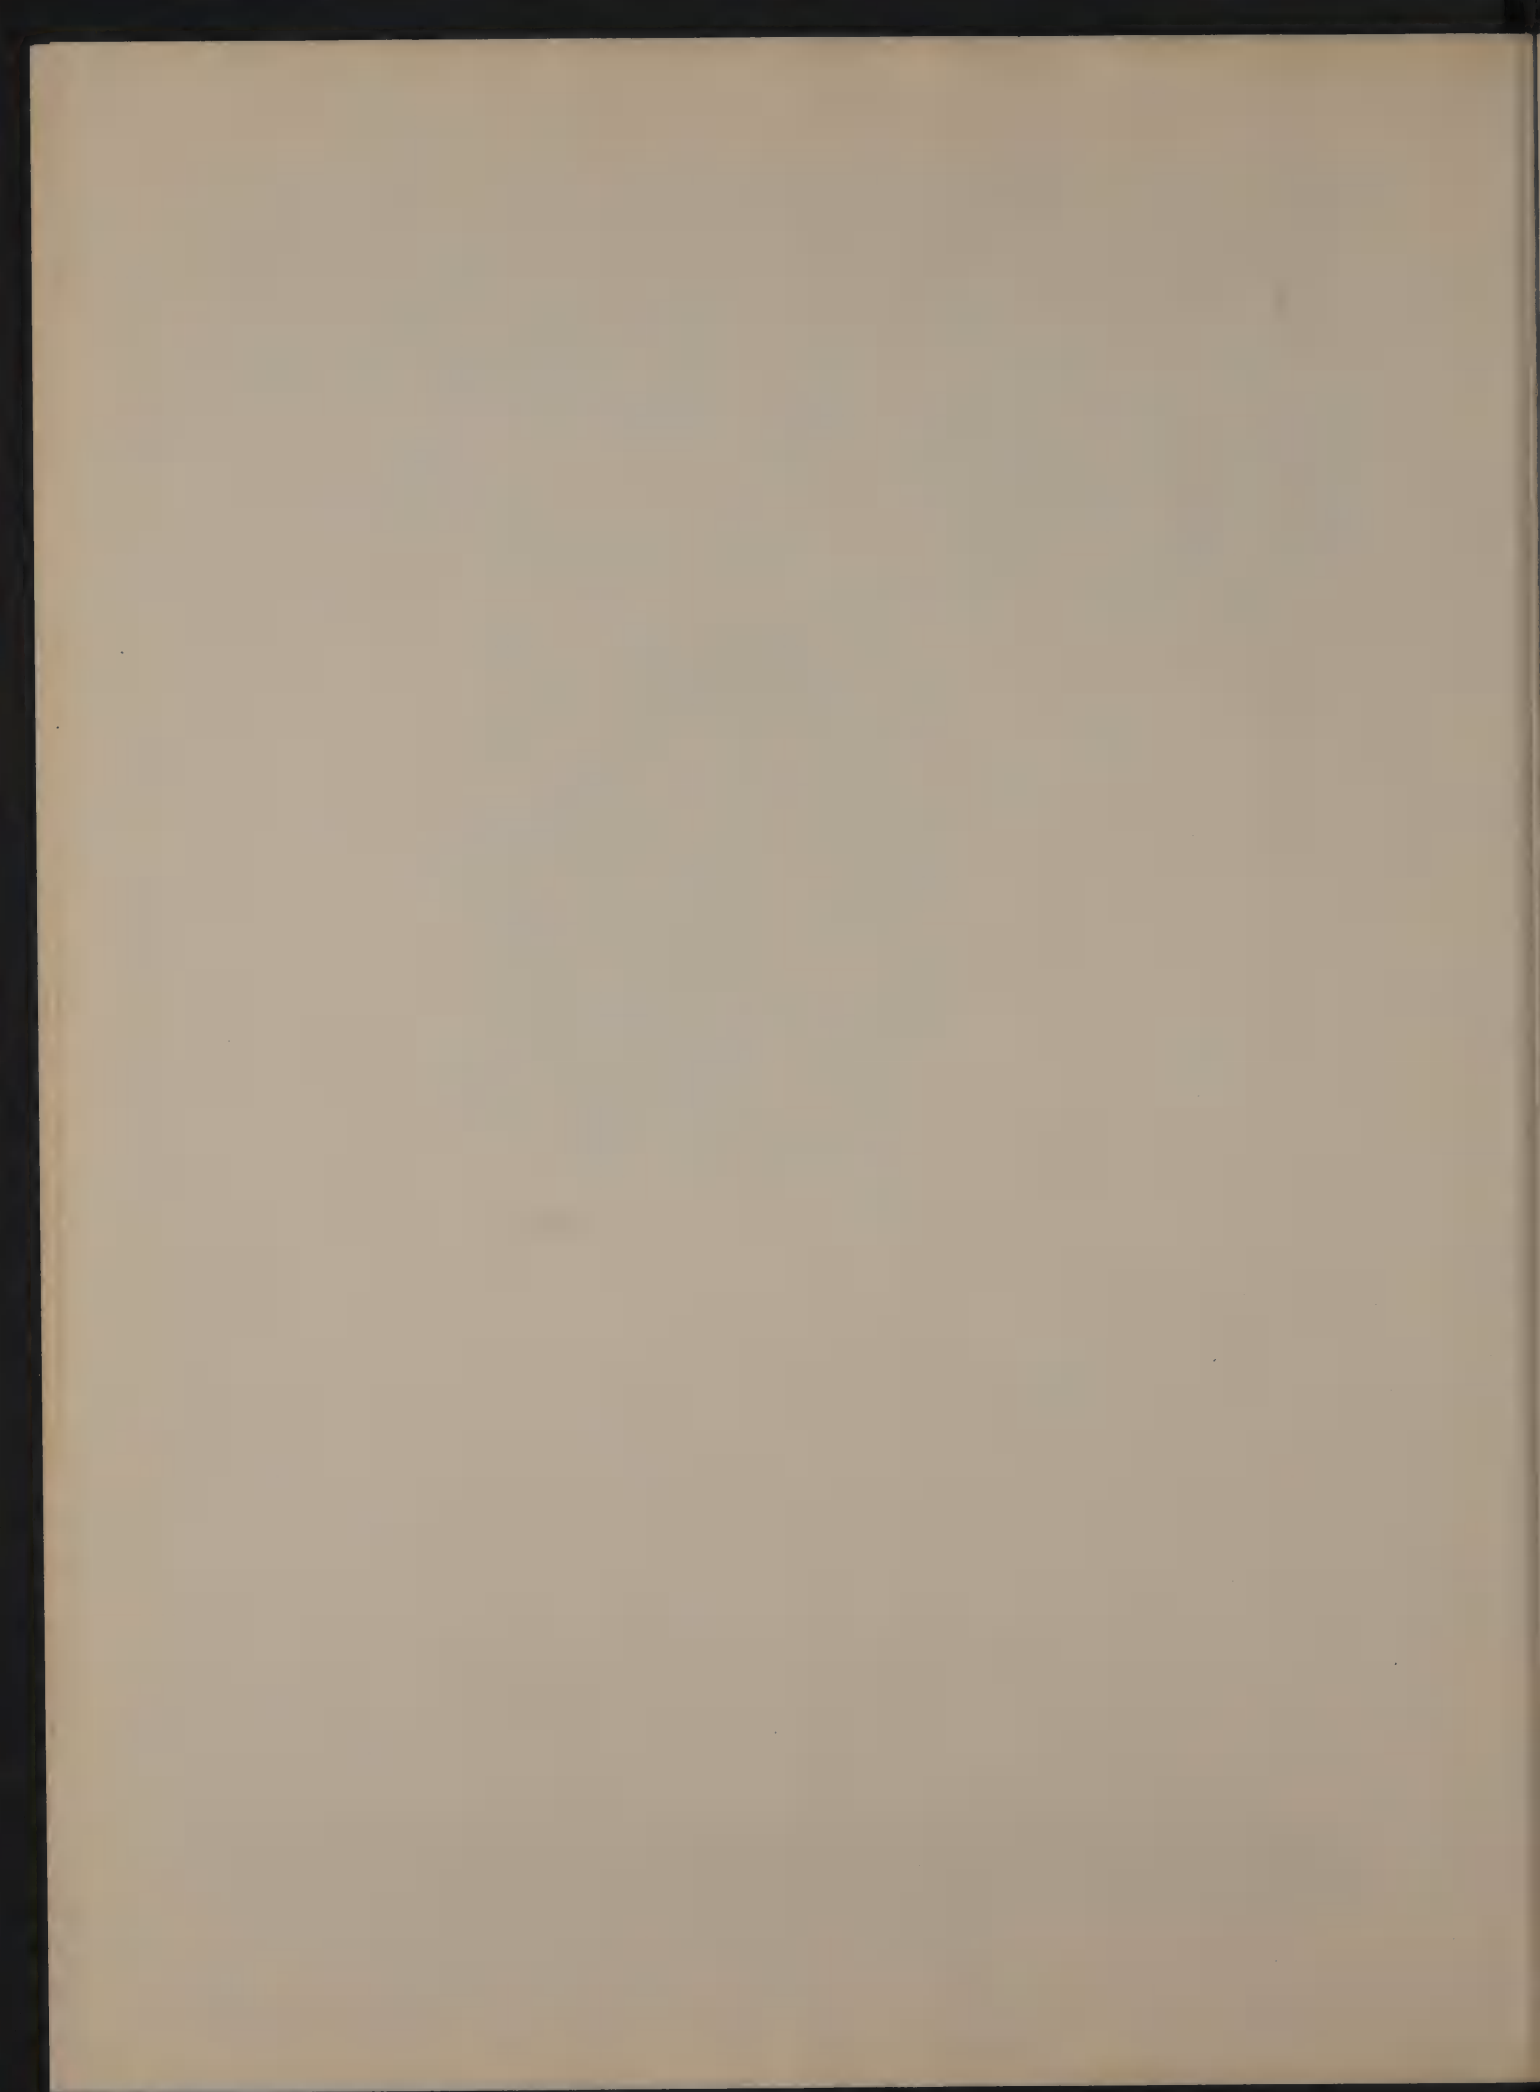

Dedication

It is to the memory of Rex Shelley that we dedicate this 1951 PANORAMA.

Rex was a student of Doyline High School until his recent death. Through the years his fellow classmates learned to love and honor him sharing with him the joys and happiness of school life.

In the future, Rex will be remembered for the understanding and courage he possessed in his everyday life.

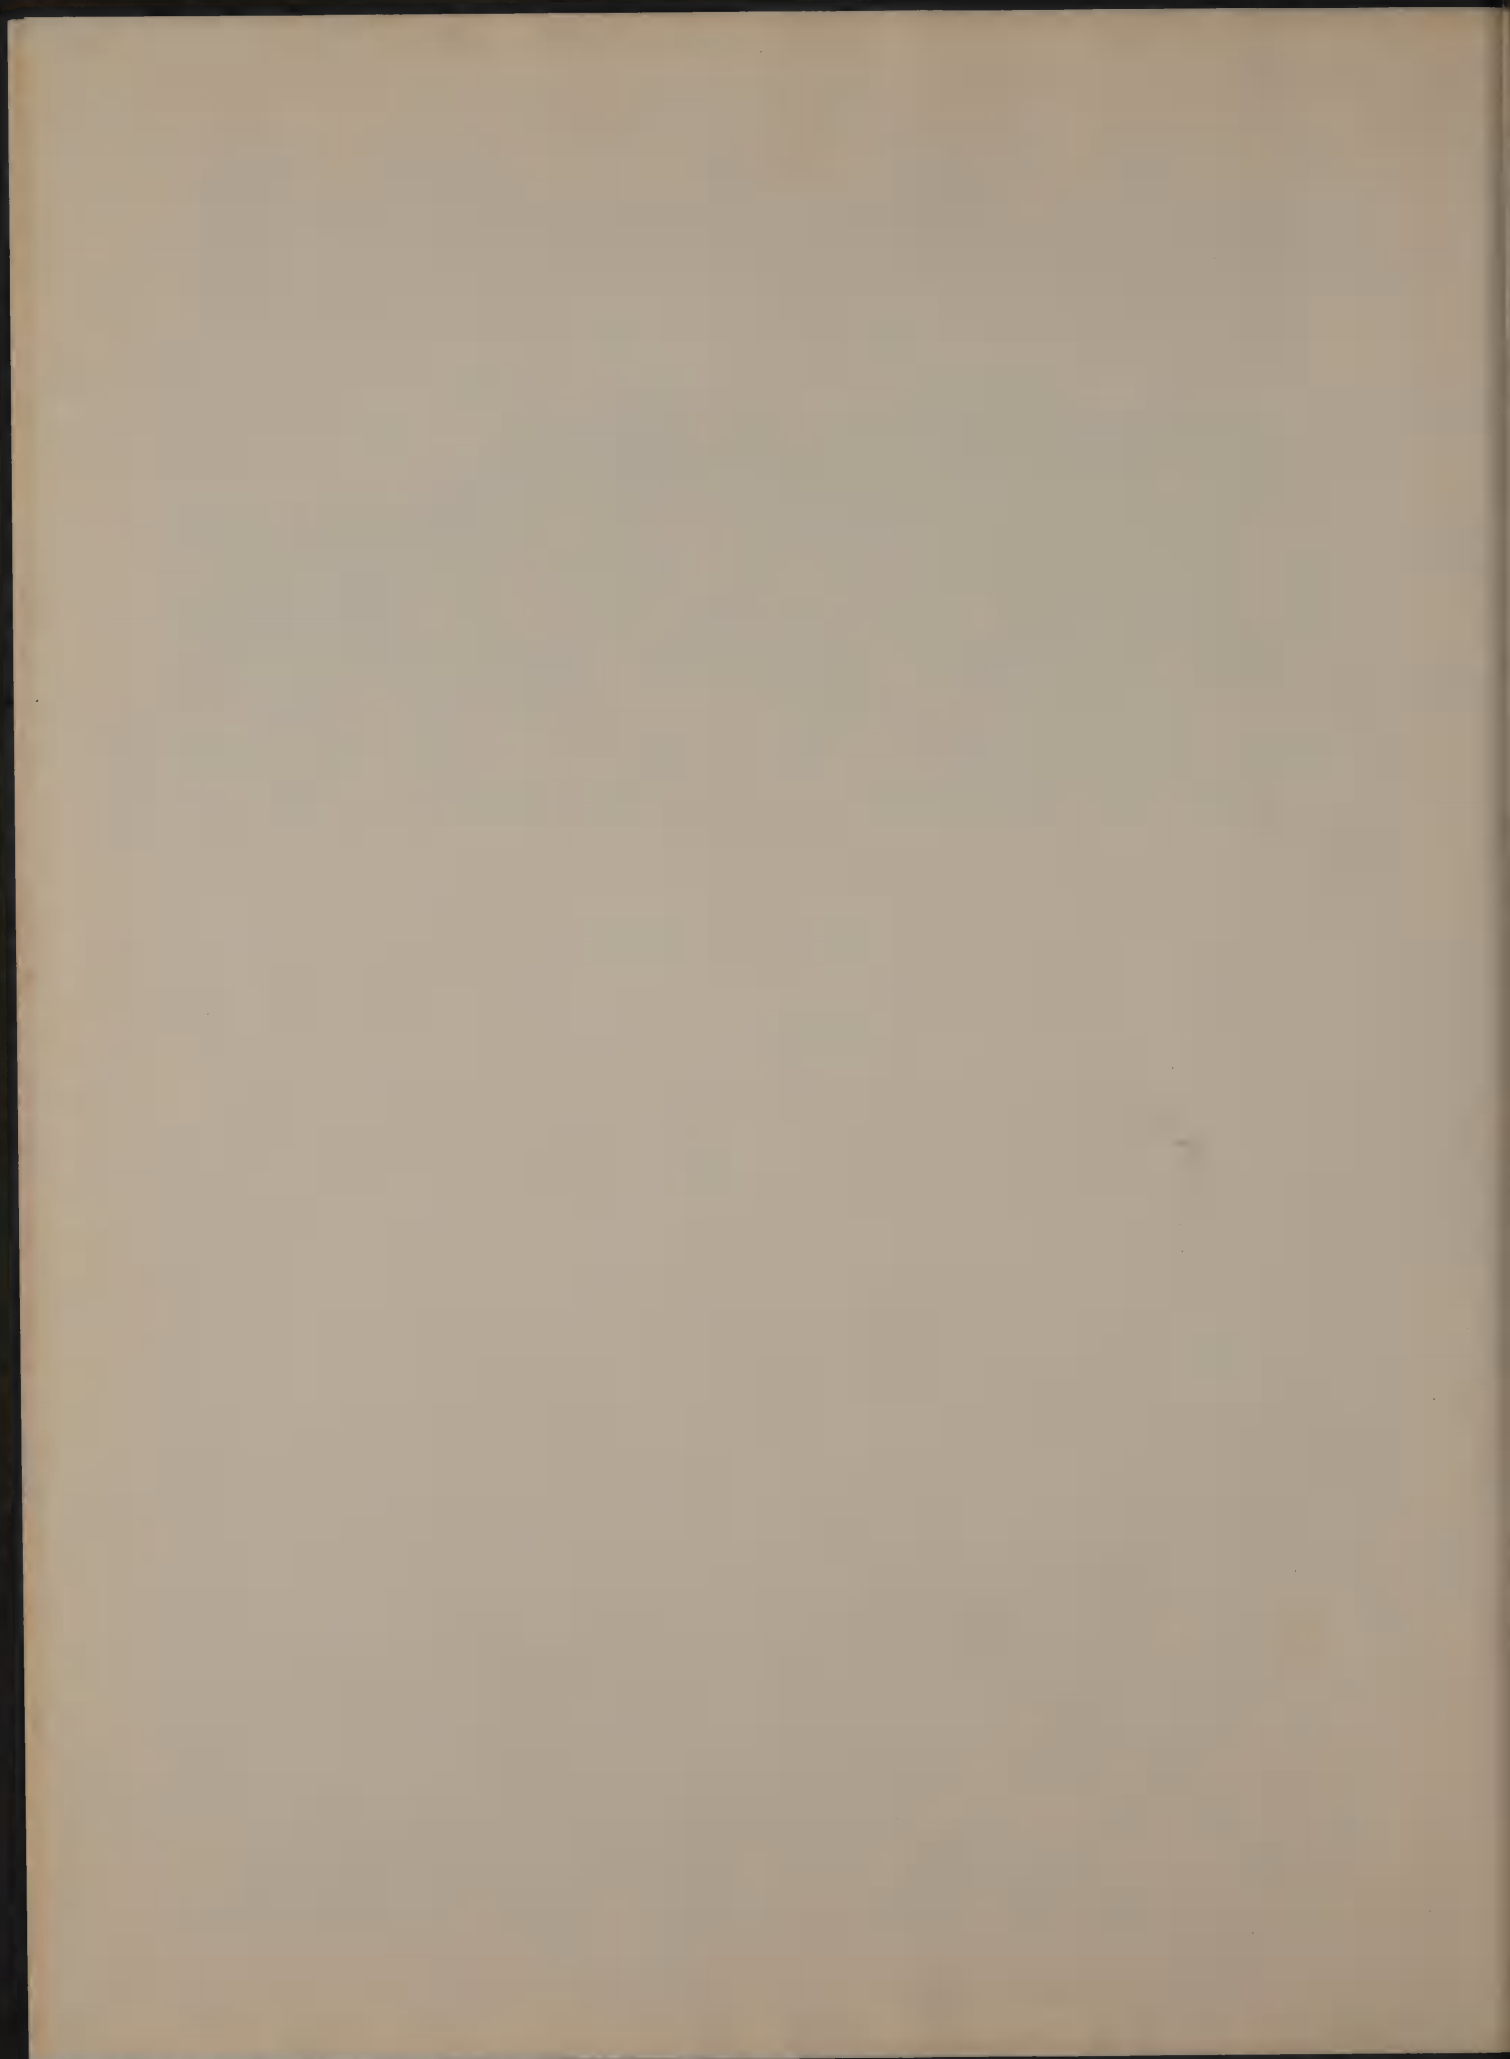

Alma Mater

Dear Doyline High School
Thou hast inspired us
Through years of study
And through years of strife.
Though we may leave you
As the years go by,
We will not fail you
Doyline High.

Blue and gold, blue and gold,
Colors staunch and true,
Grateful ever, young or old,
We belong to you.
You have taught us to be loyal
Loyal, brave and true,
And our future was begun by you.

Principal's Message

MR. E. O. COOPER

Dear Friends,

A sound philosophy of education recognizes that every human being is capable of education, that education should be the adjustment of the individual to his environment, and that it is the duty of society and all its agencies to help each individual to develop to his fullest capacity and to make the best possible adjustment to his environment.

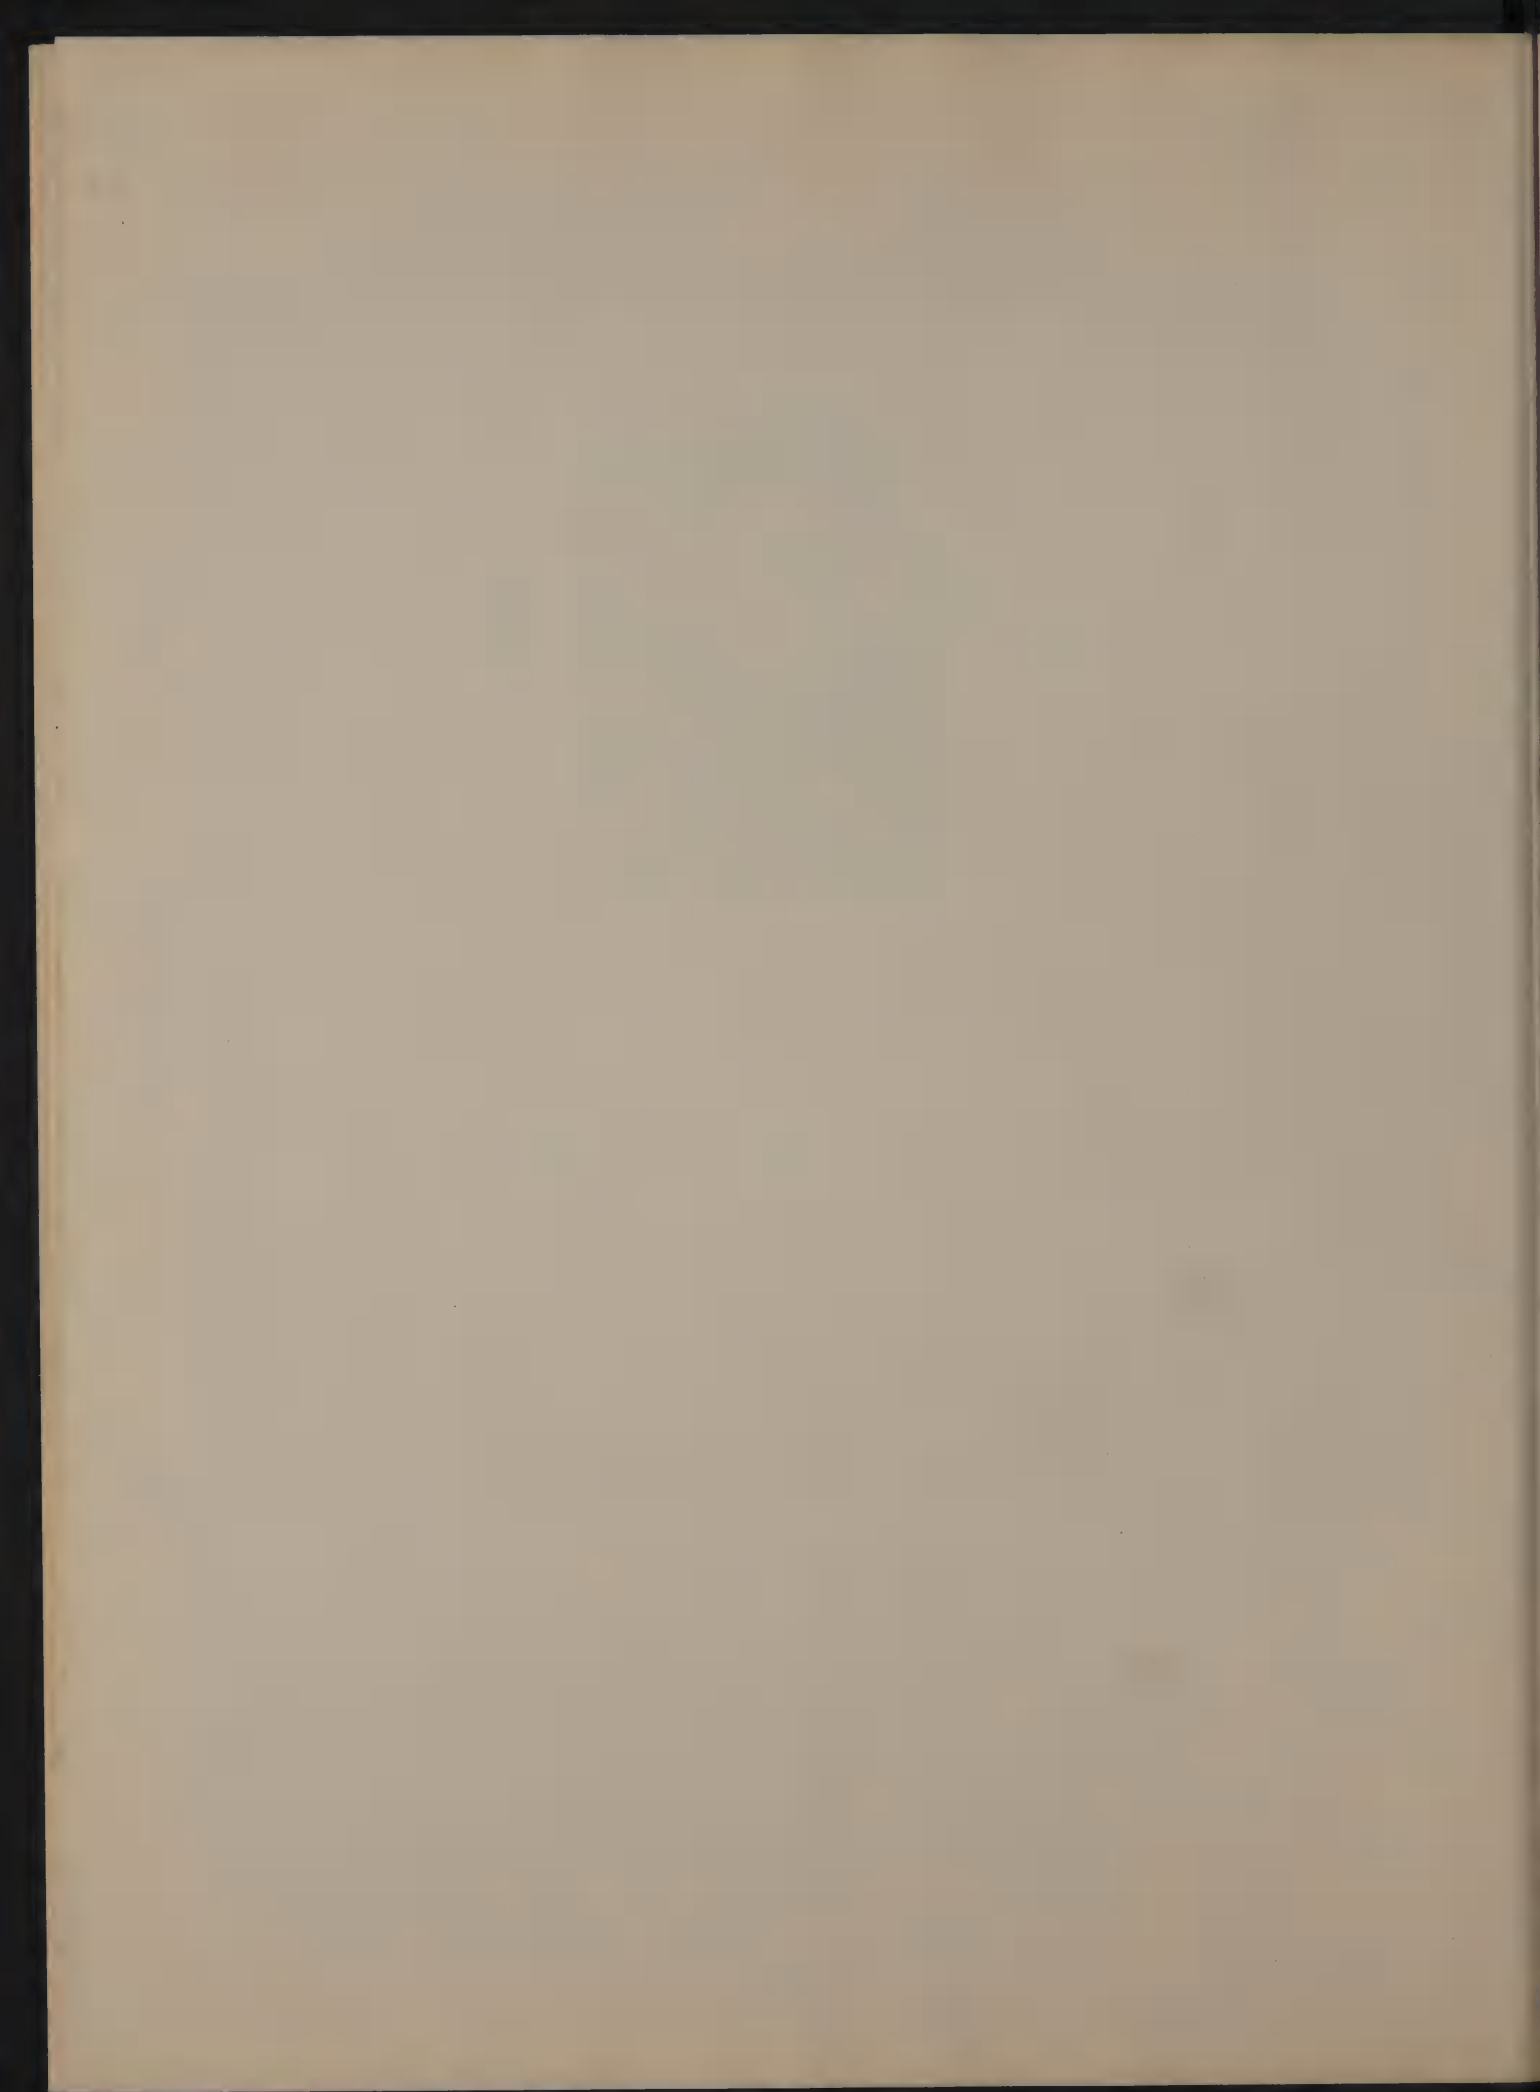

We should recognize that the individual youth is more important than the curriculum. Through varied actual experiences and class-room activities we must lead the student to realize the vital importance of human values as well as the importance of developing skills.

This is a cooperative task which involves the home, school and community. As a part of this vast program, have we as students, faculty members and parents made the greatest possible contribution?

Thanks to a fine, cooperative PANORAMA staff for this lovely book of memories.

Sincerely,

A handwritten signature in dark ink, appearing to read "E. O. Cooper", written in a cursive style.

CLASS HISTORY

It was a bright sunny September day in 1939 when a frightened little group of first graders filed into the hall of Doyline High School. With quivering lips we called out our names to the teacher. Carolyn Foshee, a cute little blonde on the first row began. After her came Verdie Collins and Ralph Norris. There were others, but they were lost along the way and new ones were added. Among these were Raymond Booth and Irene Watson who joined the class in the third grade.

With the help of excellent teachers we began to master the three R's and were finally moved into the fifth grade in 1943. Our country was in the midst of war but we were much too young to be very interested in world affairs. About the only change that we noticed was the increased enrollment of our class. Students moved in and out during the year and we were glad when Katherine Walker, Theresa Greeson and Bobbie Burge decided to stay.

We were already beginning to enjoy the friendship of our classmates and it became even more pleasant when a mischievous little boy named Leon Smith moved in during our sixth year.

There was nothing so outstanding about our class. We joined in with the regular program of elementary school and tried not to give the teachers any more than the normal amount of trouble.

In the seventh grade, we began to feel a little more responsibility toward our school and planted a rose garden to beautify the campus. Since then we have kept the roses pruned and worked each year. It was in the seventh grade, also, that Bob Pickett was added to our class roll.

Louise Chreene joined the class in the eighth grade as we all began to look forward to high school.

Our class was enriched with both brains and humor when Prentice Terrell and Richard Curry moved in during our ninth year. We were in high school and no one could convince us that we were not of utmost importance to the world.

Joining us in the tenth grade was Cecil Hoggard, Charles Stewart and Harold Thornton. Gloria Smith moved in from Shreveport the next year and became a member of our group.

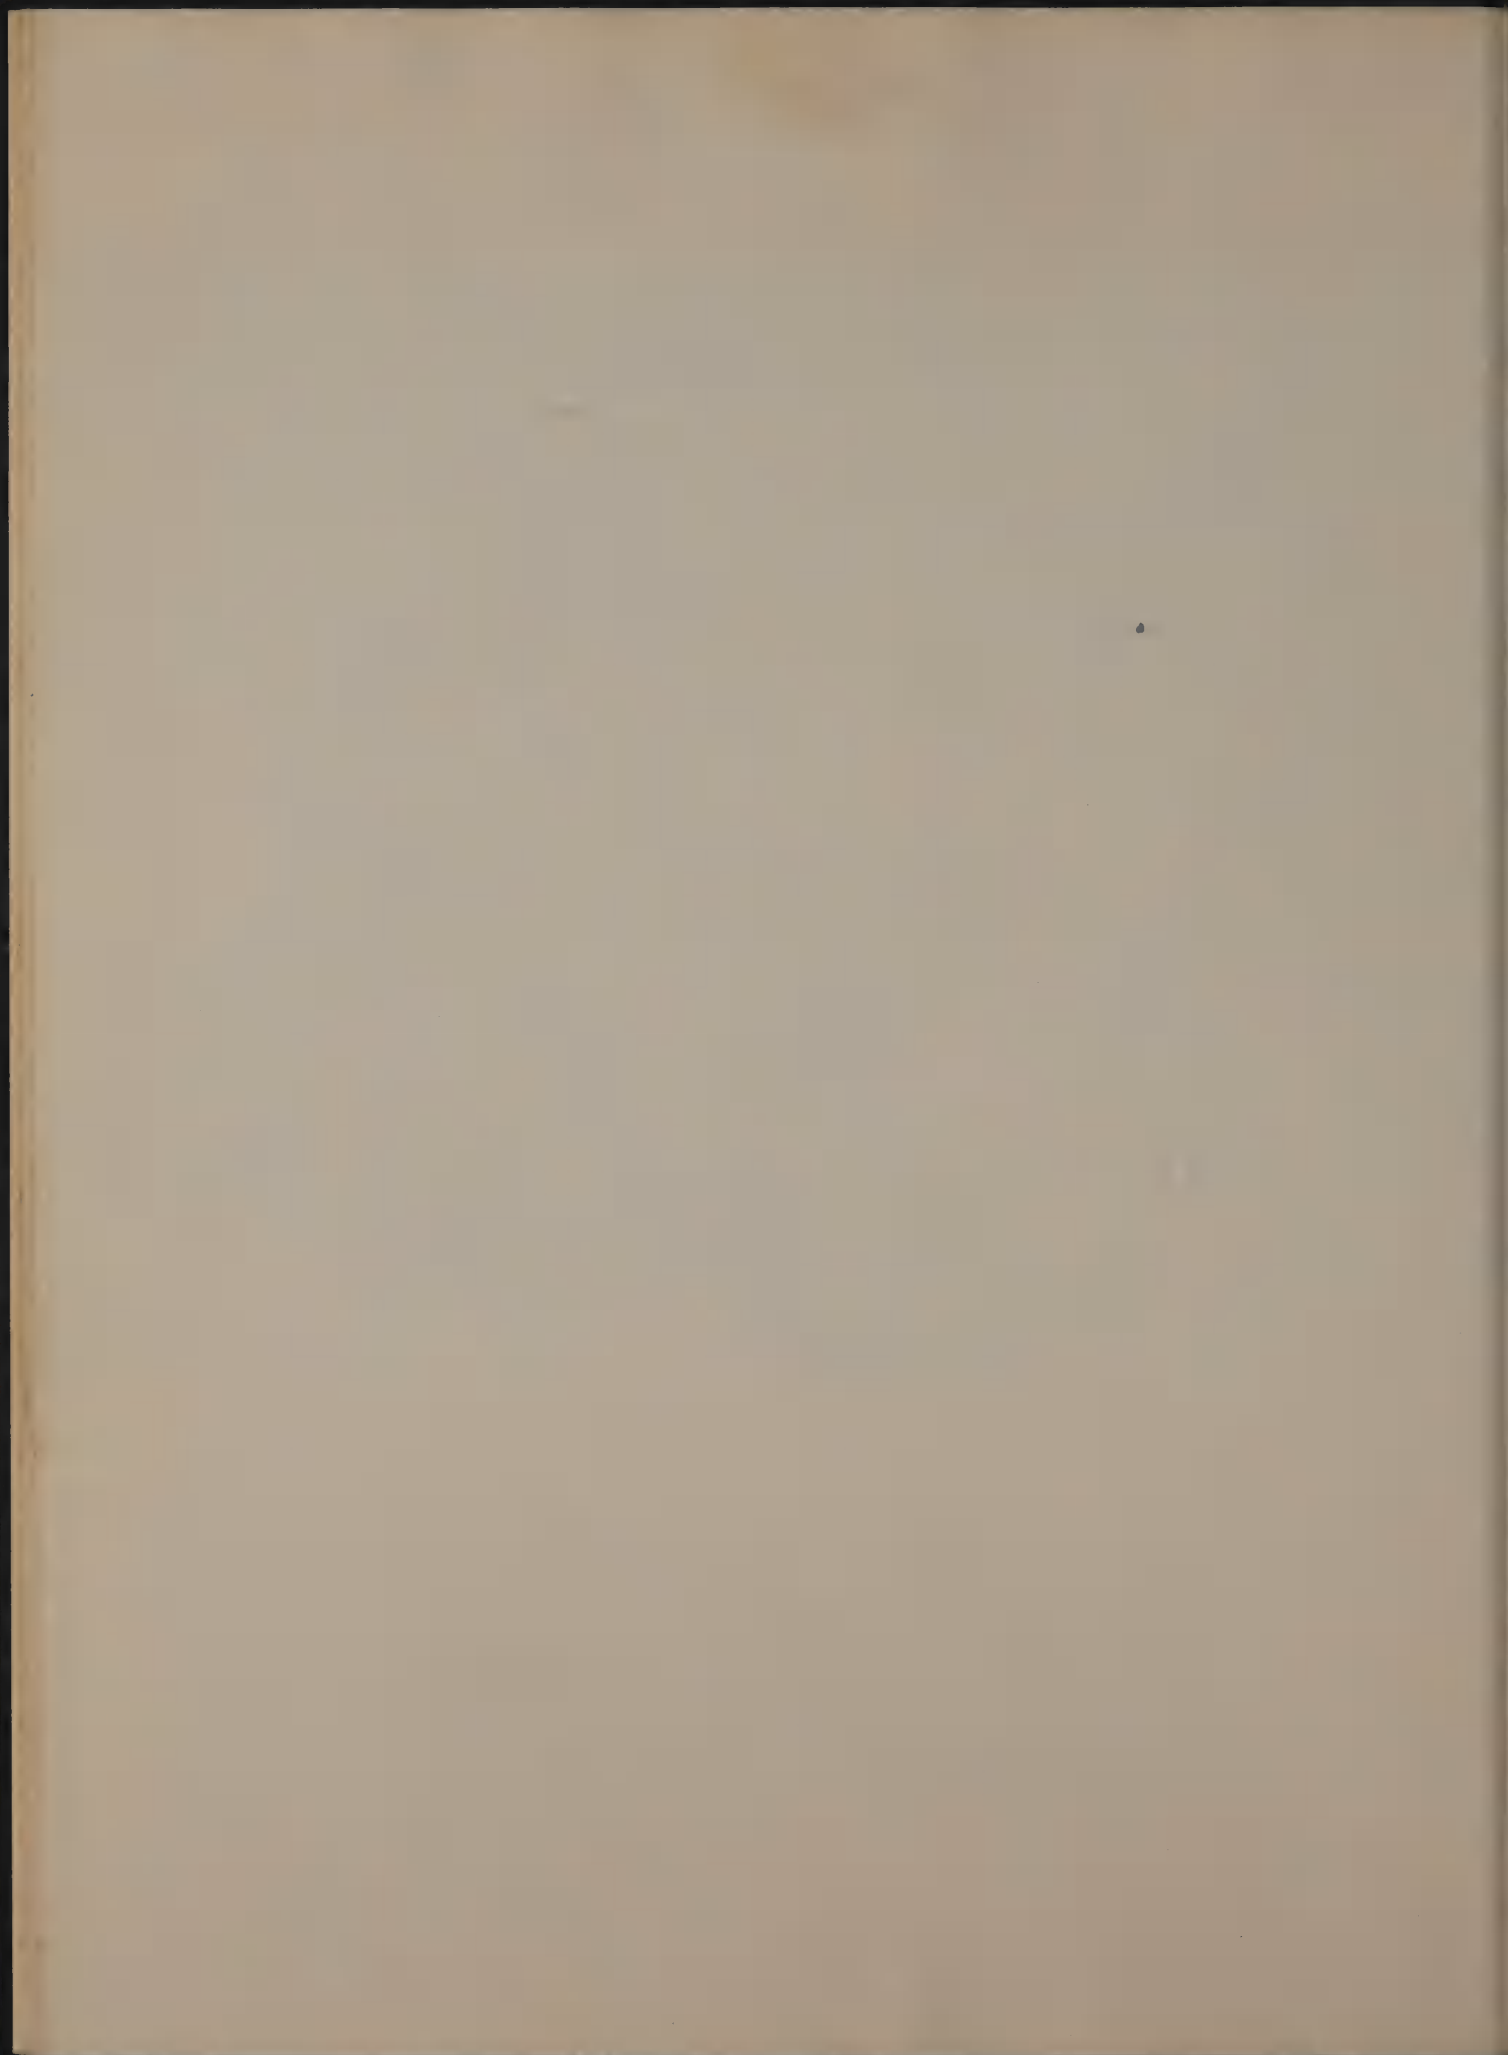

We sponsored several things during high school, but the Junior-Senior Banquet was one of the highlights. We have also had major parts in basketball, Student Council, FHA and other organizations and activities of the school.

Our senior year has been made a happier one by the presence of Charlie Sheley and Betty Bruner who joined our class at the beginning of the year. Yes, we have enjoyed the years together at Doyline High School. Through the years we have learned to love Doyline High School and appreciate what it stands for. Our only hope is that we have helped in some way to contribute toward its greatness.

The Student Council, composed of the student body officers and the officers from the high school classes, is an organization which draws the student and teacher, and the school and community closer together. By promoting such an organization the school is contributing to citizenship training.

Some of the activities of the Student Council this year were:

- (1) Participated in the Louisiana State Student Council Convention in Thibodeaux
- (2) Sponsored a Community Christmas Party
- (3) Sponsored a Citizenship Honor Roll
- (4) Sponsored a Clean-up Day
- (5) Planned assembly programs
- (6) Committees were chosen to promote cleanliness and neatness around the school and to direct traffic.

Through leadership and guidance the Student Council will continue to prosper and will always increase the standards of Doyline High School.
